## SMALL GRANTS PROGRAM

The ARF's 2021 small grants program will prioritise community advocacy or action projects that aim to prevent and/or reduce alcohol related harm in the community. The ARF will also consider research based grants aimed to prevent and/or reduce alcohol related harm in the community.

### Project Criteria

Projects must:

- Be community advocacy or action projects.
- Be grounded in evidence of potential effectiveness.
- Address issues that hold promise for preventing and/or reducing alcohol related harm.
- Be able to deliver clear and tangible outputs
- Be able to provide the ARF with a brief, final written report on the project deliverables upon full completion.

### Eligibility Criteria

Organisations must:

- have objects consistent with the prevention and/or reduction of alcohol-related harm;
- be Australian-based entities with Deductible Gift Recipient status (applications from individuals will not be considered);
- be able to confirm that they have no funding or support of any kind from manufacturers, importers, distributors, sellers or other parties in any way associated with the sale, distribution or promotion of alcohol.

### Terms of Grants

The ARF has a total funding pool of \$40,000 to allocate in its small grants program for 2021. The ARF may consider applications for grants for projects spanning over two to three years with funding paid each year. Grant selection will be merit based and the number of grants made will depend upon the evaluation process against the Eligibility Criteria (above). The ARF may consider applications for the entire \$40,000, however any such proposal must be of sufficient calibre to warrant exclusion of all other applications. Applicants are therefore encouraged to provide alternate plans and funding amounts where possible.

If you meet the eligibility criteria and are interested in applying for a small grant please email your completed application to [margaretmcampbell@bigpond.com](mailto:margaretmcampbell@bigpond.com) and copy [arf.grants@gmail.com](mailto:arf.grants@gmail.com)

### Important Dates

Applications close on 15 December 2020. Funds will be distributed on the signing of Funding Agreements by no later than 31 May 2021.
